A UNIQUE ITEM COMES TO US FROM BBQ PITS BY KLOSE IN HOUSTON, TEXAS. ORIGINALLY FOUND IN THE COUNTRYSIDE AROUND HOUSTON, THIS IS BELIEVED TO BE A TURN OF THE CENTURY BABY CARRIAGE MADE IN LONDON, ENGLAND.

WHEN DAVID KLOSE, OWNER OF KLOSE BBQ PITS, FOUND THIS BABY CARRIAGE, IT WAS BEYOND RECOGNITION, TOTALLY CRUSHED & COMPLETELY RUSTED OUT.

AFTER THREE WEEKS OF RESTORATION, AND A FEW BEERS, IT WAS DISCOVERED TO BE AN ALLWYN PRAMOLATOR MADE IN LONDON, ENGLAND CIRCA 1906.

CONVERTED BY DAVID INTO A BBQ PIT AT HIS SHOP IN HOUSTON. THE HOOD FOLDS DOWN TO COMPLETE THE SMOKER EFFECT, FOR COOKING THINGS LIKE BRISKET, RIBS, CHICKENS, AND OF COURSE, BABY BACK RIBS.

THIS PROJECT PROVED TO BE ONE OF THE MOST REWARDING AND SATISFYING EFFORTS TO DATE, PROVING WITHOUT A DOUBT, NOTHING IS SAFE FROM A WELDER'S TOUCH ESPECIALLY THE KLOSE TOUCH.

Be sure to view our complete BBQ Accessory Catalog with our Rib Racks, Cookbooks, Replacement Meat & Fire Racks, Dinnerbells, BBQ Instructional Video's, Digital Thermometers, Metal Art, Charcoal Baskets, Ball Valve Drains, & Klose Caps.
