World's Largest Mobile BBQ Pit-(1991) Picture #1
What can I say. If you look at the picture there are seven people standing on top of this pit. Weight: 34,350 Pounds

Capacity: 6,000 pounds of meat. Feeds 12,000 people
Diameter: 60" by 48 ft. long with an insulated firebox
Cooks: 24 Hours on a 1/4 of a cord of wood
With: 16 doors, and 16 stainless thermometers,
eight fold down smokestacks, two fold-up walkways.

#2) Texas Lil's 2004 World's Record Mobile Smoker
36 thermometers, 20 Special Lightweight Doors, 5 Folding Lockable Smokestacks. To
the top of the red smokestack was 34 feet.
Climb up there in a 35MPH Wind to paint the stack red.
This job don't pay enough sometimes.

**Picture Three: Plaque I had made for the Monster Smoker
60" Diameter by 57 feet. 90,000 sq. inch Cooking Surface
Weight: 25,000 pounds.**

**Picture Four: Side View of the Mobile when we cooked for
the Town of Grand Forks North Dakota during their Floods**

**Picture Number Five: A Little Fire I did for the Cameras.
They asked for something BIG, Texas Style. They got it.**

**Picture Number Six: Texas Lil & Dave Klose.
A Nice Lady, & not scared to get Dirty working the Ranch**
